Off-Campus Physical Education Service Provider Application

The Arlington Independent School District has agreed to consider physical activity offered at your site for credit in physical education if AISD guidelines are met. A visit to your site may be necessary during the school year.

Enclosed are copies of forms for recording attendance and grades for students at your site. Please make copies so that you will have the forms available for each six-week grading period. Also enclosed is a list of schools and addresses. The grade and participation log forms should be mailed, emailed, or hand delivered by your organization to the Counseling Office at the school where each student attends. Students should under no circumstances deliver their grade reports to the Counseling Office. The following guidelines are to be used in completing the forms:

A student must be in attendance 90% of the stipulated hours, with no more than five (5) unexcused absences per semester. **The student will not receive credit if these requirements are not met.**

A Participation Log and Grade Reporting form must be completed and verified by your business or organization for each six weeks.

The Grade Reporting form and Participation Log must be mailed, emailed, or hand delivered by your organization to the Counseling Office for each six-week grading period. **The student will not receive credit if you fail to meet this requirement. Grades must be received by the due dates noted on the Grade Reporting Form or students will not receive credit.**

Due to Grade Report schedules and Report Card deadlines, grades must be received by the counseling office no later than the 6-week grade report dates as specified on the Off-Campus Physical Education Participation Log and Grade Reporting Form.

CATEGORY I: - Olympic Level

Students are supervised a minimum of 15 hourx
